Instructions for Public Comment/Public Testimony for Virtual Hearings via WebEx Events:

If a citizen wishes to make public comment or provide public testimony virtually during the hearing, she/he will be required to log into the meeting using a computer. (Note: Public Comment is not taken during the Pre-Meeting.)

When you log into the online event, please send a Chat message to the Host (staff), if you wish to provide general comments or comments related to a specific case on the agenda. Please provide your first and last name, address, and the topic of your comment or case number, and you will receive confirmation once you have been added to the list.

During the designated time for public comment or public testimony on a specific case, your name will be called in the order it was received. Your microphone will be unmuted once your name has been called. You will have three minutes to provide your testimony, or ten minutes if you represent a Registered Association.

If you plan on testifying at the hearing, please contact the case manager listed on the agenda so we can be sure your voice is heard. If you want to present documents, images or a presentation to the Planning Commission, please send the files to the case manager prior to the hearing (24 hours at the latest) so we can ensure these documents are able to be presented during the hearing.
