Byron W. - Job Seeker
2016

THE CHALLENGE

I have had limited employment opportunities in my life. I needed to update my skills in order to be competitive in finding a job.

THE SOLUTION

First, they gave me the confidence that things would eventually be ok if I continued to stay positive. Then, they provided me the resources to improve my skills. Through their workshops and training, I felt as if I would make a great employee for a company.

THE OUTCOME

I was offered \$75K salary and bonuses, and I would receive 30% of the new starting company! Thank you, AJC!
