Jefferson County Public Health Vital Records issues birth and death certificates, as well as burial permits, as mandated by Colorado State law. In addition, the office compiles data pertinent to birth and death statistics for submission to the Colorado Department of Public Health and Environment.

**Why Is Vital Records Important?**

- Certified birth certificates are necessary to obtain a driver’s license; probate a will; obtain a passport and also for Social Security, Medicare and Medicaid benefits.
- Vital records provide legal documentation of births, deaths, fetal deaths, marriages and divorces for citizens as well as for public agencies including the National Center for Health Statistics (NCHS).
- Birth, death and fetal death records are a primary source of public health information on important topics such as access to prenatal care, maternal risk factors, infant mortality, causes of death and life expectancy.

Jefferson County Public Health Vital Records is able to issue birth certificates for any birth occurring in the State of Colorado from 1903 to present. These are official state issued certificates.

Receive birth or death certificates by mail/fax or wait at our office. **A valid driver's license is required.** If you do not have a valid driver's license, please refer to the **Identity Verification Documents Listing on back of this brochure**.

**Fees**

- **Birth certificate** = $17.75. Each additional certificate of the same record ordered at the same time = $10.00. MasterCard, Visa, checks or cash.
