

Jefferson County Clerk and Recorder is seeking public comment on locations for the Voter Service and Polling Centers for the November 8, 2018 General Election. Of the 25 required locations, 12 will be open for early voting services with an additional 13 opening on Election Day.

“Jefferson County’s active, registered voters can expect to receive their ballot in mail beginning the week of October 15th for the 2018 General Election,” said Clerk and Recorder Fay Griffin. “We also will offer 25 locations where citizens can vote on accessible voting equipment, register to vote in-person, update their voter record or party affiliation and request or replace a ballot through Election Day. We welcome citizen input on the selection of these sites.”

Public comment will be accepted through June 30, 2018. Comments may be submitted online at <https://www.jeffco.us/formcenter/151/151>, by email to elections@votejeffco.us, or by mail to the Clerk and Recorder’s Election Office at 3500 Illinois Street Suite 1100, Golden, CO 80401. Please include site name, address and contact information.
