

Watching Live-Stream Meetings from the Jeffco.us Website

If there is a meeting coming up that will be streaming live, you don't need to do anything but go to the website at the time of the meeting to view it.

1. Go to the Meeting Videos page on jeffco.us:
<https://www.jeffco.us/751/Meeting-Videos>
2. Scroll down to the Upcoming Meetings section of the page
3. Find the title of the meeting you'd like to watch
4. Once the meeting has started, a "View Event" link will appear in the Events column
*NOTE: If you get to the page early and the View Event link has not yet appeared, once you get to the start time of the meeting, **you must refresh your browser page to see the link.** Continue to refresh your page until you see that link.*
