

Medicare 101

presented by the State Health Insurance Assistance Program

2 – 3 p.m. second Wednesday of each month

call 303-480-6835 for location

Want to learn about Medicare's various parts and your coverage options?

Attend a class conducted by State Health Insurance Assistance Program (SHIP) counselors, who provide information, counseling and enrollment assistance to people with Medicare. SHIP counselors are certified to answer your Medicare-related questions.

- Understand your Medicare coverage options.
- Learn Medicare terminology.
- Determine if you qualify for financial assistance.

Learn about your various coverage choices, including:

- Original Medicare
- Medicare Advantage (Part C)
- Medicare supplemental insurance policies (Medigap)
- Prescription Drug Plan (Part D)

For more information call **303-480-6835**.
