Agreement and signature

I hereby swear and affirm that I am the current owner or am representing the current owner in applying for this permit. I further acknowledge that I have read this application and state that the above is correct and agree not to start this project until this application has been approved and the permit has been issued and posted on the job site. I further agree that the described building will not be occupied without final inspections. I understand that a certificate of occupancy, if required, will not be issued until all utilities have been installed and connected. Correct setbacks from property lines are the responsibility of the applicant. **Applicant must reach out to their local Fire Protection District for fire code approvals.**
