

JEFFERSON  **N**
COUNTY COLORADO

MISSION

To promote the safety, health and well-being of the Jefferson County community and the stewardship of its resources.

VISION

To be a county government that provides innovative, efficient, and quality service to a thriving and safe community.

VALUES

Safety, Stewardship, Responsiveness, Innovation, Integrity, Respect, Collaboration, Inclusivity, Resiliency, Health and Well-Being.

GOALS

Foster safe and healthy communities.

Plan, develop, maintain and enhance the county's transportation system and infrastructure.

Foster responsible development and stewardship of the county's natural and man-made resources through responsible fiscal planning and service delivery.

Collaborate strategically with internal and external partners to promote economic vitality and opportunity.

Encourage and enable self-sufficiency through education and community involvement.

Increase the efficiency of business practices, communication and engagement through innovation and collaboration.

Develop, motivate and empower our team.

PRIORITIES

Safety

Economic Stability

Opportunity

Health and Well-Being
