Apply in Person

Both parties should be present to apply for the license. Applicants for a marriage license need not be Colorado residents.

- The Couple Themselves (Self)

Also, please note "officiant" is not a title, if there is no identifiable title (Pastor, Minister, Judge, Magistrate, etc.) it will be considered a self-solemnization.

The marriage certificate must also include the County, date, and location where the marriage took place, and both party's signatures as they appear on the license (witnesses are not required). The completed marriage certificate must be forwarded to the Jefferson County Clerk's office within 63 days after the marriage; failure to do so may result in late fees.
