PERMIT FOR OPEN BURNING
Instructions and Application Form

NOTE: There are many opportunities to dispose of tree slash without burning. Please visit the Jefferson County Slash Collection Website at <http://jeffco.us/slash/> for complete information including directions and hours of operation for each collection and disposal site.

A permit from Jefferson County Public Health is required for any open burning. Permits are approved based on the materials to be burned and air quality considerations. There is only one type of open burning that can qualify for a permit:

- **FOREST MANAGEMENT BURNS** - generally associated with insect and disease control and forest fire prevention through fuel reduction activities. NOTE: State Regulations do not permit the burning of STUMPS, whether in or out of the ground.

Permits are NOT required for so-called “recreational burns” such as pep-rallies, non-commercial cookouts, etc. but you should check with your local fire department prior to such activities.

Burning of trash, garbage, construction debris and other man-made materials is NOT permitted in Jefferson County at any time.

ALTHOUGH BURN PERMITS ARE VALID FROM JULY 1 OF THE CURRENT YEAR TO JUNE 30 OF THE FOLLOWING YEAR, OPEN BURNING IS NOT PERMITTED BETWEEN OCTOBER 31ST AND MARCH 1ST AT ELEVATIONS BELOW 6400'.

To apply for a permit:

- COMPLETE pages 1-2 of the application. Be sure to have the Fire Department of jurisdiction in the area of the proposed burn complete and sign PART 3. This is to insure compliance with applicable fire and safety standards.
- FEE: **\$80.00**. Enclose a check or money order payable to “Jefferson County Treasurer.” Cash and credit cards are accepted in person only. This fee is NONREFUNDABLE and does not guarantee the issuance of a burning permit.

Please allow a minimum of one week from the time the application is submitted to the issuance of a permit. When issued, the permit will be e-mailed to the applicant.

Per state law, any person who burns without first obtaining a permit as required may be subject to a civil penalty of up to one hundred dollars per day for each day such a violation occurs.
