In the event of a non-emergency, after-hours injury, the appropriate clinic should be called for access information and/or treatment instructions. If an employee receives medical treatment by an unauthorized medical provider, the employee will be personally responsible for payment of those services.

*** In the event of a life-or-limb-threatening emergency, the injured employee will be sent to the nearest emergency medical facility. Follow up care must be provided by one of the medical facilities designated above. ***
