

2021 Achievements

Clerk and Recorder George P. Stern

Our Vision: A 21st-century Clerk and Recorder's office

Our Mission: To deliver **accessible**, **efficient**, and **transparent** service that is a nationwide model for local governments by engaging our constituents and empowering our employees

More Accessible

Increased use of grocery store DMV kiosks by 60%, helping nearly 70,000 customers

Had more voters during the Coordinated Election than any county in the state

Revamped liquor license forms and eliminated redundant ones to save small businesses time

Expanded DMV e-services, helping more than 300,000 people online

Refined appointment scheduling, ensuring ready availability and fast service

Converted special district agenda posting to online, enabling broader availability

More Efficient

Helped more than 60,000 customers via online chat, saving them a trip to an office

Finished processing 99% of ballots by Election Night—well ahead of counties with fewer voters

Enabled 90% of all document recordings to be done digitally

Achieved 0-minute median waits for in-person voting by streamlining locations and providing interactive maps and wait times

More Transparent

Received thousands of Google reviews across all offices, achieving 95%+ positivity

Overhauled Recording and Clerk to the Board websites to improve customer experience

Hosted Facebook Live tours of ballot processing and filmed informational videos featuring election judges

Continued public online dashboard so customers can track our progress

Expanded outreach, publishing two DMV op-eds, and explaining election integrity in print and on radio and TV
