Project Engineer

Project Engineer, Check All That Apply

I certify that all work was completed in conformance with the final Grading, Erosion and Sediment Control (GESC) Plan, Drainage Report, and N-1 submitted with the project application.

I certify that deviations from the Final GESC Plans, Drainage Report, and N-1 submitted with the project application have occurred, and have attached a list of all deviations as well as copies of the Plan and Report that were used.

If Deviations From the Grading, Erosion and Sediment Control (GESC) Plans Have Occurred

I certify that the attached revised Plans are in conformance with the [Jefferson County Zoning Resolution](#) (ZR), the [Land Development Regulation](#) (LDR), the [Storm Drainage Design and Technical Criteria](#) (SDDTC), and the [Transportation Design and Construction Manual](#) (TDCM).

I certify that the revised Plans are in conformance with the notes, restrictions and supporting documents of the approved Preliminary and Final Plat, Exemption, Rural Cluster, or Minor Adjustment, **OR** that the property is metes and bounds (unplatted), and has no supporting notes, restrictions, or documents.

If applicable, I certify the revised Plans match the proposed layout of the related Building Permit.

I certify that designed and existing off-site and/or on-site driveways and/or private streets/roads conform to the TDCM;
OR

If designed and existing off-site and/or on-site driveways and/or private streets/roads does not conform, I have attached a letter from the appropriate fire protection district stating that the alternate standards are approved.

If Deviations From the Phase III Drainage Report or Abridged Drainage Report or Drainage Letter Have Occurred

I certify that the attached revised Report is in conformance with the ZR, LDR, SDDTC, and TDCM.

I certify that the revised Report is in conformance with the notes, restrictions and supporting documents of the approved Preliminary and Final Plat, Exemption, Rural Cluster, or Minor Adjustment, **OR** that the property is metes and bounds (unplatted), and has no supporting notes, restrictions, or documents.
