Adverse Weather Agreement

The Elections Division has a very short window to complete all procedures by deadline. Each judge is expected to report for their scheduled working dates and times regardless of weather conditions. We request all judges to have a backup plan in place if unable or uncomfortable traveling in adverse weather conditions. By law all polling locations are required to be open during scheduled polling hours. Any absences may result in termination and affect eligibility to participate in future elections.

By signing this form, you agree to report for all scheduled shifts even during adverse weather conditions.
