cares.**

Retail Store Positions

Our in-store team members happily serve our millions of customers every day, and we truly believe that sets us apart and makes us who we are. From the care they put into tasks such as processing and preserving precious memories in our Photo Center to filling a complex (and much needed) prescription in our pharmacy to the genuine smile and warm greeting they give to a customer who just entered the store, they truly are the face, heart and soul of our Walgreens operation.

- Customer Service Associate

Engage with our customers and ensure that all their needs are met on the sales floor and at checkout.

- Pharmacy Technician

Deliver quality patient care under the supervision of a Pharmacist.

- Photo Specialist

Provide our customers with complete film, camera and digital photo finishing and passport photo services.

- Shift Lead

As a Walgreens shift lead, you'll be developing and enhancing your leadership abilities as an indispensable asset to our store staff. You'll be a key part of ensuring excellent customer service is delivered to our customers, as well as providing leadership to team members by communicating tasks from the store manager; assisting with and coaching peers on inventory ordering/receiving/returns; ensuring department pricing and signage is accurate and current; ensuring stockroom is orderly and product is stored and rotated in compliance with all regulations; and handling day-to-day cash functions.
