View this QR code with your phone's camera to go to the Zoom meeting! You can attend virtually, from anywhere.

Here are some useful tips for using Zoom:

Try to enter the meeting a few minutes early

Keep yourself **muted** unless you are speaking

If you're able to, download the **Zoom app!** Zoom functions better in their app than through their website

If possible, this presentation is best viewed using a computer, laptop, or tablet. If not, you can use your phone too!

If you're comfortable doing so, you're welcome to have your **video on!**

This will allow us to see who's there and talk to you face-to face!

Bring any **questions, concerns, or feedback** you have to share!

All Head Start family members are welcome!
