

November 2020

Please remember to call in when your child will be absent at:

(720)497-7959

The holidays are coming!

Head Start works hard every year to get a gift donated for every student at the holidays! If you would prefer your child NOT receive a gift, please let your FSS know.

Classroom Reminders

Be on the lookout for fun and engaging STEM kits to be sent home each week in November for all families!

What is STEM? And why is it important?

STEM stands for:

Science
Technology
Engineering
Mathematics

Learning STEM concepts comes easily to preschoolers—and they support young children's math learning skills. Young children enjoy solving problems and exploring the world through science, technology, engineering, and math (STEM).

COVID-19 Updates

Practice social distancing by putting space between yourself and others. Continue to practice healthy habits to help slow the spread of COVID19.

- Wash your hands for at least 20 seconds
- Clean and then disinfect frequently used surfaces
- Stay home if you're sick
- Avoid touching your face

Clothing Reminder

Now that the weather is getting colder, it’s a great time to be sure that your child has extra clothing at school that is weather appropriate! Be sure that your child has an extra set of long-sleeved shirt, underwear, and pants in their cubby, in case of an accident!

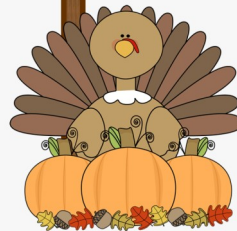

Also, if your child has an accident and is sent home in Head Start clothes, please remember to wash and return those clothes to the school, if you can.

Talk to your FSS if you are needing help with clothing resources; they can help!
