PHYSICALS AND DENTALS

Please remember we need your child to have current physical and dental exams on file at all times. If you've received a reminder that your child's exam is expiring/expired, please do your best to get an appointment scheduled! If you need help finding a new medical or dental provider, or if you need any assistance in getting these completed, talk to your FSS!

ACCEPTING APPLICATIONS FOR 2021-2022 SCHOOL YEAR!

We are accepting applications for new students for next school year AND the remainder of this year. If you have a 3-5 year-old or know someone who does, please have them give us a call! If your child is currently enrolled, they will still have their spot for next year, too! You will complete re-enrollment paperwork later in the spring to reserve their space for next year.
