Section 7 – Preliminary Plat

A. Intent and Purpose

The Preliminary Plat Process was adopted at the inception of the Land Development Regulation to comply with State Statute requirements related to subdivisions of land. The process includes a review of preliminary level documents with the ultimate goal of approval of the Preliminary Plat by the Planning Commission. The approval of a Preliminary Plat does not complete the subdivision process; a subsequent Final Plat process must be completed to complete the subdivision process. The Preliminary Plat process outlines time frames and expectations, providing the applicant with a clear understanding of the steps involved prior to being scheduled for hearing before the Planning Commission. The Director of Planning and Zoning may waive the time frames included in this process depending on Planning and Zoning staffing levels and the complexity of the proposal. (am. 7-12-05; am. 5-20-08; am. 12-21-10)

B. Application

1. The Preliminary Plat process shall apply to all subdivisions of land, except those that have been exempted from the subdivision process. The applicant may choose to go through the Preliminary and Final Plat process in lieu of the separate Preliminary Plat process and Final Plat process. (am. 5-20-08)

2. Concurrent processing of the Preliminary Plat and the Final Plat is permitted at the applicant’s option. However, the Board of County Commissioners shall not hear, or take any action on the Final Plat prior to the Preliminary Plat approval by the Planning Commission, or approval of an appeal by the Board of County Commissioners. (am. 7-12-05; am. 5-20-08)

3. A nonrefundable processing fee in an amount established by the Board of County Commissioners is required for this process. (orig. 5-20-08)

4. Notification is required in accordance with the Notification Section. (orig. 10-13-09)

C. Procedure

The following is an example of the typical processing steps and timeframes for the development application. If the applicant complies with all given time frames, submits a complete application, and complies with all requirements of this Regulation, the estimated time to reach the public hearing phase of the process is 106 calendar days from the date of the 1st referral. (am. 7-12-05; am. 4-4-06; am. 5-20-08; am. 10-13-09; am. 7-17-18)

Prior to submitting a development application, it is recommended that the applicant go through the Pre-Application Review Process, as identified in the Pre-Application Review Process Section. The Pre-Application Review Process will help identify the key issues that will need to be addressed during the platting process and will help to establish the specific submittal requirements. The specific submittal requirements can also be established by obtaining an appointment with Staff to discuss the development proposal. (am. 5-20-08; am. 10-13-09; am. 7-17-18)

If an applicant is going to request relief from a standard, to avoid processing delays, it is recommended that the request for relief be submitted early in the development process. Requests for relief of a standard are subject to different specific processing timeframes, which may add to the length to the processing of the development application. (orig. 7-17-18)

Notification is required at the time of the 1st Referral in accordance with the notification provisions of this Regulation. (orig. 7-17-18)

**Steps Prior to 1st Referral**

1. Sufficiency Review and Referral Distribution (1st Referral):
   
   The applicant shall electronically submit all documents as identified in the Submittal Requirements Section of this Regulation for review by Staff. (am. 5-20-08; am. 10-13-09; am. 7-17-18)

   The Case Manager shall have 7 calendar days to review the submittal and either send the application out on referral or respond to the applicant explaining any deficiencies in the submittal documents (including the appropriate referral fees). A submittal that is not complete in terms of the type of documents required will not be sent out on referral. (orig. 7-17-18)

   Resubmittal Sufficiency Review (if required): The Case Manager shall have 5 calendar days to review the resubmittal and either send the application out on referral or respond to the applicant explaining any deficiencies in the submittal documents. (orig. 7-17-18)

2. Formal Application:

   The applicant shall submit all documents as identified in the Staff response to the Sufficiency Review. (am. 5-20-08; am. 10-13-09)

   The Case Manager shall have 5 calendar days to refer the application and referral fees to County divisions/departments and other agencies. A submittal package that is not complete in terms of the type and quantity of documents required will not be sent out on referral. (am. 5-20-08; am. 7-17-18)

**Process from 1st Referral to Public Hearing**

3. 1st Referral and Staff Response:

   The referral agencies shall have 21 calendar days to respond in writing to the application. An extension of no more than 30 calendar days may be agreed to by the applicant. (am. 7-12-05; am. 5-20-08)

   The Case Manager shall have 7 calendar days, after the end of the referral period, to provide the applicant with a Staff response inclusive of other referral responses. The response from the Case Manager will include an opinion as to whether or not the case should proceed forward to the Hearing Documents phase or if revised documents should be submitted for a subsequent referral process. (orig. 7-17-18)

   If the Case Manager indicates that the application is in substantial conformance with all applicable regulations and that only minor revisions to the documents are required, the application may proceed directly to the Hearing Documents phase of the process. Under this circumstance, the application will be scheduled for a hearing date earlier than that tentatively scheduled at the time of the 1st referral. (am. 5-20-08; am. 7-17-18)
4. Applicant’s Response to 1st Referral:

For the application to be processed in accordance with the example timeframe in the table above, the applicant shall have 21 calendar days to address, in writing, any issues identified by the Case Manager or any referral agency and resubmit revised documents for the 2nd referral. The applicant will be deemed to have consented to a later hearing date, than the tentatively scheduled hearing date, if the resubmittal is not received within the 21-calendar day period. (am. 7-12-05; am. 5-20-08; am. 7-17-18)

Regardless of the example timeframe, the applicant shall have a maximum of 180 calendar days to respond to the referral comments, or the application will be considered withdrawn. The applicant will then have to file a new application with the required fees and documents. The Director of Planning and Zoning may extend this 180-calendar day maximum response deadline for additional 180 calendar day periods if, in his/her opinion, the delay in response is for good cause. (am. 5-20-08; am. 12-21-10; am. 7-17-18)

5. Sufficiency Review and Referral Distribution (2nd Referral):

The Case Manager shall have 5 calendar days to review the submittal and either send the application out on referral or respond to the applicant explaining any deficiencies in the submittal documents. A submittal that is not complete in terms of the type of documents required will not be sent out on referral. All resubmittal documents shall be submitted as a complete package and not sent in a fragmentary manner. (orig. 7-17-18)

Resubmittal Sufficiency Review (if required): The Case Manager shall have 5 calendar days to review the resubmittal and either send the application out on referral or respond to the applicant explaining any deficiencies in the submittal documents. (orig. 7-17-18)

6. 2nd Referral and Staff Response:

The referral agencies shall have 14 calendar days to respond in writing to the 2nd referral. An extension of no more than 30 calendar days may be agreed to by the applicant. (am. 5-20-08; am. 7-17-18)

The Case Manager shall have 7 calendar days after the end of the referral period to provide the applicant with a Staff response inclusive of referral agency responses. The response from the Case Manager will include an opinion as to whether or not the case should proceed forward to the Hearing Documents phase or if revised documents should be submitted for a subsequent referral process. (orig. 7-17-18)

If the applicant has not consented to a later hearing date based on the time frames of this regulation and chooses to move forward to the tentatively scheduled hearing, the applicant shall submit the hearing documents as requested by the Case Manager in accordance with the Hearing Documents phase of the process. (am. 5-20-08)

7. Applicant’s Response to 2nd Referral Comments:

The applicant shall have a maximum of 180 calendar days to respond to the referral comments, or the application will be considered withdrawn. The applicant will then have to file a new application with the required fees and documents. The Director of Planning and Zoning may extend this 180-calendar day maximum response deadline for additional 180 calendar day periods if, in his/her opinion, the delay in response is for good cause. (orig. 5-20-08; am. 12-21-10; am. 7-17-18)

8. Additional Referrals and Responses:

For the 3rd referral, and for any subsequent referrals thereafter, the processing of the application shall follow the same steps identified above in the Sufficiency Review and Referral Distribution (2nd Referral) process, the 2nd Referral and Staff Response process and the Applicant’s Response to 2nd Referral process. The only exception shall be that for the 3rd Referral, and for any subsequent referrals thereafter, the referral agencies shall have 14 calendar days to respond in writing to the referral. (am. 5-20-08; am. 7-17-18)
The response from the Case Manager will include an opinion as to whether or not the case should proceed forward to hearing or if revised documents should be submitted for a subsequent referral process. (am. 5-20-08; am. 7-17-18)

9. Submittal of Hearing Documents:

The applicant shall electronically submit the Hearing Documents as identified in the Case Manager response to the last referral. (am. 5-20-08; am. 7-17-18)

If the applicant has not consented to a later hearing date based on the time constraints of this process, the applicant shall have 10 calendar days to address, in writing, any issues identified by the Case Manager or any referral agency and submit the hearing documents for the tentatively scheduled hearing. The applicant will be deemed to have consented to a later hearing date if the hearing documents are not received within the 10-calendar day period. (am. 5-20-08; am. 7-17-18)

The applicant shall have a maximum of 180 calendar days to respond to the referral comments or to submit the hearing documents, or the application will be considered withdrawn. The applicant will then have to file a new application with the required fee and documents. The Director of Planning and Zoning may extend this 180-calendar day maximum response deadline for an additional 180 calendar days if in his/her opinion, the delay in response is for good cause. (am. 5-20-08; am. 12-21-10; am. 7-17-18)

10. Hearing Scheduled:

The applicant may indicate any revisions to the plat that the applicant is willing to make to respond to Planning Commission and Staff issues. The appeal shall be submitted to the Planning and Zoning case manager. (am. 7-12-05; am. 5-20-08)

Upon receipt of an appeal by the applicant, the Board of County Commissioners shall consider the Preliminary Plat. A hearing for said consideration will be scheduled to occur at the first available Board of County Commissioners’ hearing date following 21 calendar days from submittal of the request for appeal.
