6. Roundtable Agenda Items:

- A. Airport Advisory Board/RMMA process to develop a Strategic Business Plan to guide investment and development decisions that will affect RMMA over the next 20 years.

Long discussion about the survey and contents/intent and concerns from the CNR.

Tracy Kraft-Tharp will set up meeting with Paul Anslow and Chair Lacis to discuss investing more in the airport consultants to focus on noise and long-term planning. No formal motion was taken.

B. Discussion of the 2019 RMMA Noise Mitigation Study prepared for the Town of Superior and the City of Louisville by ABCx2 consultants

- Dave Carbone of PSG provided an overview of the recommendations.
- Chair Lacis recommended that the airport and FAA responds to each suggestions to share what what is workable and not—and which ones they are already doing and which they are willing to do or not
- Paul Anslow agreed and suggested that the airport could can show what they have already started doing at the August and September. But the FAA would take a year.
- Chair Lacis asked that the airport could specify what is mandatory and what is voluntary for pilots. He also noted that the airport could take a first crack at recommendations working with PSG to put together a response and then identify additional stakeholders need to respond.
- PSG will identify who we should have answer each section—and then bring it back to July meeting.
- Recommendations tabled until July meeting where we will hopefully adopt a resolution that will forward the recommendations to appropriate stakeholders.

7. Committee or Board Member Reports

- Arvada-none
- Boulder County: There has been a request for an email to go out to people that have written about noise issue but want to make sure that people who write into the general email are also receiving the email correspondence back.
- Jefferson County: Airport has put together an exciting list of activities this summer—would like to include in the email list that Boulder County is sending. Good opportunity to engage.
