YOUR TEAM DOWN.**

**VAXX
UP.**

You've worked so hard — don't let COVID-19 keep you and your team out of the game this season. Getting a COVID-19 vaccine is the best way to keep you and the people you care about healthy and strong, and it'll help avoid preventable quarantines and cancelled events. Vaccines are safe and effective, and everyone ages 12+ can get one for free close to home.
