REQUEST FOR HEARING PURSUANT TO C.R.S. 18-1.3-406(1)(a)	

ALEXIS KING, District Attorney in and for the First Judicial District, County of Jefferson, State of Colorado, respectfully requests this Honorable Court set a hearing pursuant to C.R.S. 18-1.3-406(1)(a).

As Colorado law required the imposition of the sentence in this case, the law also permits the Court to reconsider its sentence in an exceptional case involving unusual and extenuating circumstances. The People brought this option to the Court's attention at the initial sentencing. C.R.S. 18-1.3-406(1)(a) permits this review after the receipt of a report on the Defendant's diagnosis and evaluation. Now that the Defendant has been sentenced, the People again request the Court set a hearing as soon as practicable upon the receipt of the report. Consistent with the People and the Court's obligation under the Victim Rights Amendment, the People have begun conferring with the victims in this case to obtain and consider their input in advance of the Court's hearing and notify them of the date determined by the Court. The People intend to file supplemental information prior to the hearing.

Respectfully submitted,

ALEXIS KING
District Attorney
