PEOPLE'S REQUEST FOR AN EXPEDITED MODIFICATION HEARING	

Alexis King, District Attorney in and for the First Judicial District, County of Jefferson, State of Colorado, respectfully requests this Honorable Court set an expedited hearing regarding the Defendant's sentence, and as such states as follows:

1. We ask the Court to set our request for modification of the defendant's sentence pursuant to CRS 18-1.3-406, for an expedited hearing. It is our understanding that the Department of Corrections has expedited their report at our request and it may be completed as early as Thursday December 23rd. This would allow for the conditions to be met for a modification of the defendant's sentence as was discussed by the People in the initial sentencing hearing. The purpose for the People's expedited request is so that the named victims in the case, as well as their families, have an opportunity to be heard by the trial court who is fully aware of the facts of the case. We have spoken to the living victims and the families of the deceased victims, and it is their specific desire to be heard on this modification, in this forum, as quickly as possible. The People request that the Court set this for, at minimum, a status hearing on Friday December 24th or on Monday December 27th.

WHEREFORE, The People Request a hearing be set as soon as possible.

Respectfully submitted,

Alexis King
District Attorney
