## WEST QUINCY AVENUE WATERLINE WORK AND ROADWAY CLOSURE

Dear Resident,

The waterline in W. Quincy Avenue is being replaced from Beech Way to S. Beech Way to S. Swadley Court. Work to replace the water main in front of your home will begin next week and continue through mid-July. This will include the new water main, as well as meters and service lines to your home.

Water service to your home is not expected to be disrupted. You will be notified in advance by a representative of Lakehurst Water & Sanitation District if there are any planned disruptions in service.

***Jefferson County will close W. Quincy Ave. between S. Union St. and S. Wright Way to through traffic from approximately June 22 through July 16 to allow this water line construction. Only residential traffic will be allowed on W. Quincy Avenue.***

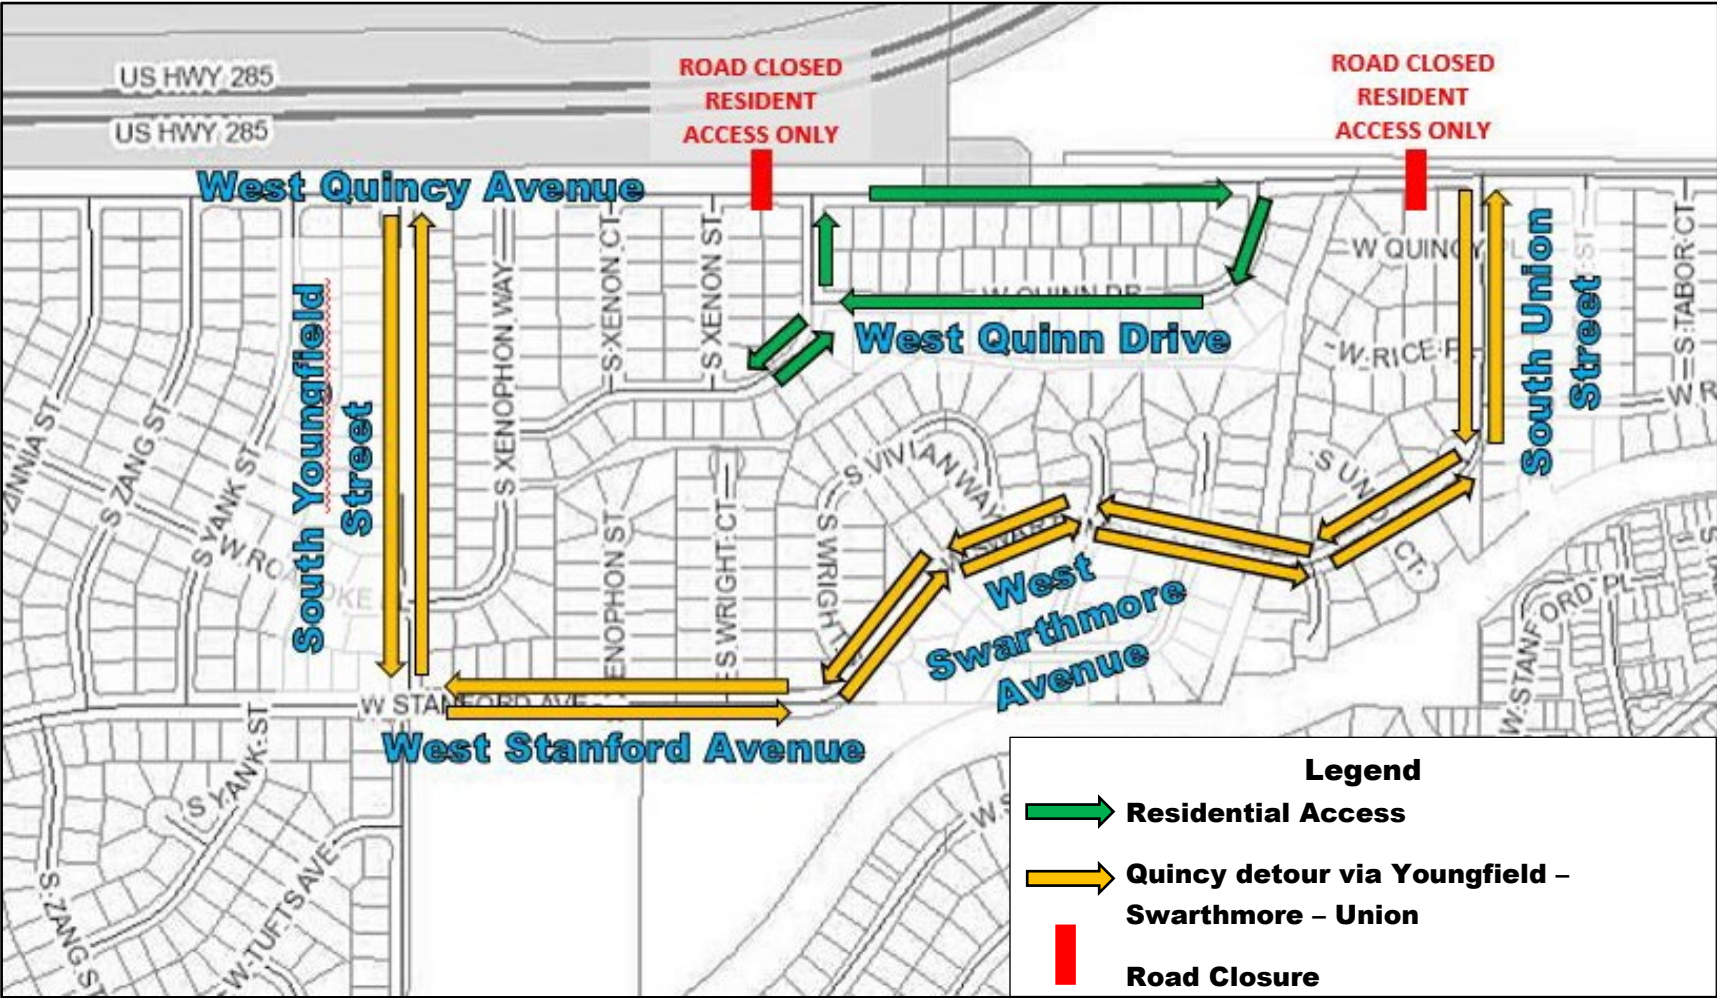

You will have full access to your driveway and select parking throughout the road closure.

Services, such as trash collection, mail, and other parcel deliveries will be able to utilize the resident access route. Please notify your trash collection company.

ONE WAY Traffic will be allowed from S. Wright Way eastbound to W. Quinn Drive. See the detour map on the back of this notice showing the closure and residential access.

If you have any questions concerning the road closure, contact Gary Campbell with Jefferson County Transportation & Engineering Division at (303) 271-8469 or [email Gary Campbell](mailto:gary.campbell@jeffersoncounty.org). Visit the [W. Quincy Ave. project webpage](#) for project updates. Thank you for your continued patience with this project.
