Petition: Whenever a decision of the Liquor Licensing Authority suspending a license for fourteen (14) days or less becomes final, whether by failure of the licensee to appeal the decision or by exhaustion of all appeals and judicial review, the licensee may, before the operative date of suspension, petition for permission to pay a fine in lieu of having his license suspended for all or part of the suspension period. Upon receipt of the petition, the Liquor Licensing Authority may, in its sole discretion, stay the proposed suspension and cause any investigation to be made which it deems desirable and may, in its sole discretion, grant the petition if it makes the following findings:

- (1) That the public welfare and morals would not be impaired by permitting the licensee to operate during the period set forth for suspension and that payment of a fine will achieve the desired disciplinary purposes;

b. Payment of Fines in Lieu:

(1) In connection with any petition for fine in lieu of suspension submitted, the Liquor Licensing Authority shall limit any stay granted to the extent necessary for it to complete its investigation and make its findings. If the Liquor Licensing Authority makes the above required findings, it may grant an order permanently staying the imposition of the entire suspension or that portion of the suspension not otherwise conditionally stayed.
