

Dog Policy

Boettcher Mansion is pet friendly and allows dogs inside the building as long as the dogs are clean, groomed, healthy, housebroken, leashed (harnessed if necessary), non-aggressive, quiet and well-behaved. Owners must pick up and dispose of all pet-generated waste in outdoor receptacles immediately.

The following rules apply specifically to:

Host & Tourists

Should a host wish to bring a dog to Boettcher Mansion (to participate in a wedding ceremony or to have as a companion during a social event or business meeting), they must notify the staff and sign a form prior to the event. All dogs must be attended to by owner at all times (i.e., on leashes or put in a crate or kennel).

Employees

Employees may bring dogs (one per employee) during work hours depending on the nature of the event (if there is a function where management has determined dogs would not be welcome, it will be noted in advance in EMS). All dogs must be on leashes when entering/exiting the building and should stay in their owner's office (please refrain from taking them into public spaces beyond the lobby). If any dog misbehaves repeatedly, causing destruction and/or disruption in the workplace, the dog will enjoy "early retirement" (at home).

Service Dogs

Service dogs are allowed inside the Boettcher Mansion at all times as specified by the Americans With Disabilities Act (ADA) guidelines (no waiver required).

Please be aware that Jefferson County Open Space regulations specify these fines for the following offenses outdoors within the Lookout Mountain Nature Preserve:

\$75 for having a dog off leash (leashes must not exceed 10 feet in length);
\$75 for not picking up and disposing of droppings in a waste receptacle; and
\$300 for harassment of wildlife (chasing, attacking, harming and/or killing).
