

JOB OPENING

POLICE OFFICER I

The Police Officer I is the first line contact with victims of crime and emergencies occurring on campus owned property. This position provides assistance, information and direction to all members of the campus community in the areas of crime prevention, personal safety and general security.

Job Responsibilities

Proactively patrols the campus and its facilities by vehicle, foot, and/or bike to detect and deter criminal activity, and assists the campus community members as the need arises.

Responds to and investigates reports of criminal and suspicious activity. Enforces criminal, traffic, parking, and campus policy violations and monitors all campus traffic.

Provide security during special and athletic events, enforces the Colorado Motor Vehicle Code and Colorado Model Traffic Code violations.

Conducts interviews with victims, complainants, witnesses, and suspects within the guidelines of current legal practices.

Prepares written reports documenting investigations of criminal and suspicious activity for actual or suspected statutory violations, institutional policy and procedure violations.

Prepares cases for presentation in Municipal, County, and District Courts.

The
Opportunity:

About the
Department and
Mines:

The Colorado School of Mines Department of Public Safety is a full service, community-oriented law enforcement agency, providing 24/7 service to the campus community. The Department of Public Safety / Mines Police Department exists to provide police and security services to the campus community including but not limited to: enforcing the laws and regulations of the Colorado School of Mines community; exercising powers of custody and arrest; detecting criminal activity; investigating complaints and incidents; interviewing witnesses; gathering evidence; responding to emergencies and requests for assistance; providing traffic and crowd control; writing appropriate reports and citations; preparing cases for prosecution by the district attorney by executing warrants; and testifying in court proceedings.

Colorado School of Mines (Mines) is an internationally preeminent teaching and research university dedicated to meeting the resource development needs of a rapidly evolving, technology-based society. Mines was selected by the Colorado State Legislature as the state's first "exemplary institution" of public higher education due to our "high degree of responsibility and capability with regard to academic and administrative functions."

How To Apply:

Review of applications will begin on April 17, 2023.
