ACKNOWLEDGEMENT

For work done under this Permit, the permittee accepts full responsibility for compliance with all applicable Jefferson County Codes. I hereby swear and affirm that I am the current owner or am representing the current owner in applying for this permit. I further acknowledge that I have read this application and state that the above information is correct and agree not to start this project until this application is approved and the permit has been issued and posted on the job site.

NOTES:

1. Call for a MID-ROOF Inspection when at least 10% but not more than 25% of the roof covering has been installed. FINAL Inspection shall be required when permitted work is complete.
2. Roofs in FIRE ZONE ONE shall comply with the added requirements of Section R905.1.5.1 & 1505.11.2 of the Jefferson County Residential & Building Code Supplements respectively.
