CARPOOL & VANPOOL

Carpooling is two or more people going together in one vehicle to their destination. Carpooling is easy because few people are involved; a carpool is flexible and can usually accommodate everyone's needs. In a carpool, you save on gas and reduce wear and tear on a vehicle.

A vanpool is a group of five to twelve people with similar commutes (consistent start time and destination) who share a van provided by a vanpool provider. In exchange for a monthly fee, the vanpoolers receive a vehicle and the cost of insurance, fuel and vehicle maintenance is covered. Vanpool monthly fares range from \$61 to \$160 per month based on one-way mileage and size of van and includes the Guaranteed Ride Home program.

Guaranteed Ride Home. The Guaranteed Ride Home® provides a free taxi ride home from the office for employees who have an emergency arise (whether it's a mere unexpected schedule change or a sick child).

The Guaranteed Ride Home® program is offered as an added benefit of the following programs:

- Vanpool
- RTD's EcoPass
- Carpool
- Bike to Work Day

The Guaranteed Ride Home® can also be purchased as a reasonably priced stand-alone service. For more information, please email mygrh@drcog.org or call 303-480-6745.

Way to Go is a regional partnership between the Denver Regional Council of Governments (DRCOG) and a dedicated group of Transportation Management Associations (TMAs), including 36 Commuting Solutions. We are working together to reduce traffic congestion, improve air quality, and make life better for the region's residents. We offer real-life solutions helping commuters save money, experience less stress, and save time. We're here to help you find a better commute and our assistance is free of charge thanks to federal funding earmarked to preserve air quality and reduce congestion. If you're an employer who wants to attract and retain the best employees by offering progressive and friendly commute options, we're here to help. Visit waytogo.org or call 303-604-4383.

SmartTrips, a service of the North Front Range Metropolitan Planning Organization, provides free online carpool matching for residents in the North Front Range region. Visit SmartTrips.org or call **800-332-0950** to get started.

SmartTrips VanGo provides vanpool services and matching for North Front Range residents. Visit SmartTrips.org or call the Program Manager at **970-221-6859** to join or start a vanpool. Monthly fares vary depending on participants' pick-up and drop-off locations.

36 Commuting Solutions

36 Commuting Solutions is a nonprofit organization founded in 1998 with the mission to enhance the mobility of commuters along the US 36 corridor for today and the future. Our public-private membership coalition consists of 76 private sector businesses and seven local governments between Westminster and Longmont. Together, we advocate for transportation improvements and funding for the US 36 corridor. 36commutingsolutions.org.

Get Paid for Your US 36 Commute Rocky Mountain Metropolitan Airport is partnering with 36 Commuting Solutions to provide cash incentives for new ways to travel along the corridor.

Through the **Curb Your Frustration** campaign, 36 Commuting Solutions is offering cash incentives to reduce traffic congestion. Those who drive alone can apply for a free RTD 10-ride Regional Ticket Book worth \$45 to ride the bus. Carpool applicants can apply with 36 Commuting Solutions and use MyWaytoGo.org to log eight round trips over two months for their \$75 carpool incentive. For those interested in a vanpool, 36 Commuting Solutions can coordinate with vanpool providers in the region. Applicants receive a \$75 subsidy toward one month of their vanpool provider's bill.

Navigate to 36commutingsolutions.org to complete a quick application for these cash incentives. You'll also find the latest information about construction updates on their homepage.
