NEW WEBSITE LAUNCHED
OCTOBER 2017

Our new website makes it easier to find the information you’re looking for and get you what you need more quickly. We also made it easier to contact us with new forms you can use to submit questions or requests, so find us online!

www.jeffco.us
100 Jefferson County Pkwy.
Golden, CO 80419
303-271-6511
WORKS ON ANY DEVICE

More than 48 percent of our users access our website on a mobile device. With that in mind, we made sure that our new site will work for you, wherever you are ... whether using a desktop computer, tablet or mobile phone.

NOTIFY ME

Now you can subscribe to receive emails or text messages when information gets updated on our website. Subscribe to get notified about our meetings and events, county news, bid postings, and more.

ACCESS BUTTONS

These buttons provide one-click access to frequently accessed pages on our website. Some of the buttons will change during the year depending on what’s going on. The buttons are unique in different areas of the website, bringing helpful information one click closer.

SEARCH BAR

The new search bar provides quick and easy access to what you need with predictive search that suggests options based on what you type into the bar.

GLOBAL NAVIGATION

The Global Navigation provides clear and easy navigation to all areas of the website. You can find things by types of service or directly to the department or division.

NAVIGATION RIBBON

The ribbon along the left side of the website provides one-click access to things such as events and social media platforms. It also gives you a way to get back to the Jefferson County home page, if needed, from anywhere in the website.

ALERTS

When there is a need to alert the county of an emergency or important notification, a large bar will appear on every page of the website. Updates will be posted here as situations progress.
