THE CHALLENGE

The challenge that brought me to the American Job Center is that my family has always been in poverty. We've never had enough money for anything.

THE SOLUTION

WIOA provided things like workshops and financial assistance to get to and from school. The thing that will be the best solution though, is they gave me a chance, something I would have never been able to do on my own. They paid for my school and now I have a chance to get out of poverty.

THE OUTCOME

The outcome of all of this has been great. My caseworker has done so much for me that I can never repay her for. I am now a medical assistant and much better off than I think I would have been if I hadn't come to the American Job Center.
