Sodexo - Employer
2015

THE CHALLENGE

Recruiting in the food service industry is challenging, there are more jobs than there are qualified people to fill them. "Post-and-Pray" wasn't attracting the talent we needed.

THE SOLUTION

Staff at the AJC helped educate our company on competitive pay rates in 2015, and we made some adjustments. The staff also optimized our hiring events by sending out emails to qualified job seekers in Connecting Colorado, notifying them of our job openings and great benefits.

THE OUTCOME

Our recruiting results since engaging with AJCs along the Front Range have improved 10-fold! We have made dozens of hires with more candidates actively in the job interview process today. We now have access to active job seekers and can search for talent on ConnectingColorado.com independently.
