Tommy Hilfiger - Employer
2016

THE CHALLENGE

We were having troubles filling our hiring needs and decided to turn to the American Job Center for help.

THE SOLUTION

We really liked the employer focused workshop that provided great information about social media and how it can be used to attract new sales associates.

THE OUTCOME

We have hired many sales associates through job fairs that American Job Center has held. Associates that have become managers have been hired through the job fair. We always find talent at job fairs.
