Janice - Job Seeker  
2016

## THE CHALLENGE

I was laid-off from a company that closed after working there for 16 years. While on unemployment I had trouble finding work. I realized that I needed to update my office skills.

## THE SOLUTION

I worked with several different teams within American Job Center. I attended workshops and had practice interviews which helped me greatly.

## THE OUTCOME

After a second interview, they called to offer me the job and said, "I was the shining star" of all the interviews. The training and workshops are a welcome skills refresher. Everyone needs help with the interview process; it got me my job! Thank you to all the employees at American Job Center!
