Joel C. - Job Seeker
2016

THE CHALLENGE

I was working really hard to support my family but the pay was low and I didn't get 40 hours/week. I was a driver for a moving company but never able to get my CDL-A. As a single dad, I needed a better job in the Denver area.

THE SOLUTION

I came to the American Job Center for WIOA assistance with getting my CDL-A. I was able to begin school quickly and also worked as much as I could. It took me a while to find a good local truck driving job but my CDL-A and the American Job Center continued to help me with my job search.

THE OUTCOME

I have now been employed full time for 4 months at a wage that lets me take care of my family. Needless to say, I'm super happy!!! And of course, I'm very grateful to the AJC for taking the time and a chance on me.
