Linda S. - Job Seeker
2016

THE CHALLENGE

I was not getting any responses to my resume submissions for jobs.

THE SOLUTION

My Talent Management Specialist suggested a 1-on-1 resume review and align that with my career goals. My problems were my age (61) and my best experience was over 10 years old. Reformatting my resume yielded astounding results. Using the new resume, I had 3 interviews the same week.

THE OUTCOME

I commend my Specialist wholeheartedly. This turned out to be all I needed; however, AJC offers training, workshops and interview practice that are high caliber. I not only found a job, but the right job that suits my goals and personality. My sincere thanks to the AJC Talent Management team.
