Vicki H. - Job Seeker
2016

THE CHALLENGE

I was struggling find employment on my own. After 15 months of searching, applying and rejections, I needed more help.

THE SOLUTION

I found many resources very helpful: Job Readiness Academy, the Resource Center, Resume Workshops, the Talent Pool and career specialists. I found inspiration and help with resume reviews and practice interviews. I would recommend these resources for anyone searching for a job.

THE OUTCOME

I found employment through a job fair that the American Job Center held. It was a much better job fair than others I had gone to. A variety of employers were there, not just fast food.
